FETISH FAIR FLEAMARKET

47

NEW ENGLAND LEATHER ALLIANCE

Greetings, Fellow Kinksters, and welcome back to Marlborough!

Welcome to New England’s 47th Fetish Fair Fleamarket®. We’d like to welcome you to our Summer Flea home, the Best Western Royal Plaza Hotel; we hope you have an enjoyable experience. Please respect the hotel as if it were your home; our event has never allowed nudity, and we ask that in public spaces, especially areas outside our checkpoints, you exercise good taste. All of us differ in our abilities and skills, so please be mindful of those who might not be as agile or facile. If at any point you have a concern or need assistance, please don’t hesitate to seek out a NELA Board member.

All spaces are fully accessible, and we are proud to offer you 40 vendors in the Grand Ballroom, several community/outreach groups in the main hallway, and assorted demonstrations in the Seminar Room. The Duchess Room and Princess Room will also host various lounges (see elsewhere in this book for details).

Please join us for a meal and snack in the main hallway – supporting the concession stand makes our event more profitable for our host hotel, and helps us strengthen our relationship with them. There’s an ATM next to the Gift Shop, as well.

Be sure to keep in touch via our website nelaonline.org for upcoming events, classes and other timely announcements. Follow us on social media too! Twitter: @FetishFlea, Facebook: @NELAWeb and Fetlife: @NELAWeb

As with most community organizations, the lifeblood of our organization continues to be our volunteers. Everyone from the wristband checkers to the Board of NELA have devoted their time, energy and abilities to putting on the FFFs and carrying out the work of NELA, and we thank our volunteers for all their efforts.

NELA is a 501(c)3 non-profit organization dedicated to making a safe place in the world for all leather / fetish / BDSM people through education, advocacy, and charitable giving. NELA uses the FFFs to not only provide in-event education and community group involvement, but also as the financial engines to support our work through the whole of the year. Please come by our table and get or update your NELA Associates Benefit Card (ABC), which entitles you to free or reduced-rate admission to NELA events throughout New England, discounts on merchandise from a number of vendors, and discounts to get into many other non-NELA events. Revenue from the NELA merchandise we offer in return for donations also supports our work, so if you purchase a NELA t-shirt, hoodie, or lunch box, you’re helping to support our advocacy and charitable giving. We support other worthwhile organizations both at home and across the country like The Network/La Red, AIDS Care Ocean State and the NCSF. We also have special programs like the ‘Ayem Willing’ Volunteer Travel Fund, which assists volunteers to travel to events and return with education which they might not otherwise be able to reach.

Your attendance at the FFF helps support our mission, and we thank you for joining us.

Dress Code

The Fetish Fair Fleamarket® does not allow nudity in any public areas of the host hotel. "Sidewalk Friendly" attire is required, which is not the same as "Street Legal." "Legal" means a thong and pasties -- but we have always required a bit more to ensure the comfort of all attendees. This means that butts and breasts must be fully covered; no breasts covered only in Liquid Latex or by something sheer or see-through with nothing else under[neath] it. We understand that this is a kink event, but please remember that our goal is to make everyone comfortable – not only our guests, but the hotel staff. Please keep that in mind when you choose your outfits, and help us make sure that we get re-invited each year to this wonderful venue. Your cooperation and support is crucial to our success, and we love you all for it – and we also think you all look hot, even if we can't see your naughtier bits in the hallways :)

Consent Concerns

Consent is crucial to a healthy community, and NELA takes consent issues very seriously. Should you have a concern around consent during FFF #47, please do not hesitate to approach or contact a NELA Board Member to meet with you and address your concerns.

Photography

Attendees, Vendors, Presenters and NELA Volunteers and staff are prohibited from taking pictures or video in any public area of the venue. Public areas are “Any area in the hotel that is not a privately-rented hotel room.”

The FFF respects your privacy; however, please recall that you are at a public event, and you are your own best protection. the Fetish Fair Fleamarket, NELA, our host hotels, and our partner sponsoring groups and producers will not be liable in the event that your picture is taken.

Camera phones and video phones are everywhere, but we’re asking you not to use them or any other cameras in any public space. Reports of your unauthorized photography or recording of any kind will result in your being removed from the event without refund. Please keep this in mind and avoid even the appearance of photographing/videoing others.

Please note that there will be some NELA-authorized photographers present at this event. You should be aware of them; if you do not want to appear in any picture. All authorized photographers will have a badge that they will display at all times, and they are required to obtain your explicit permission before taking any photograph (even if your face is obscured). These are the only photographers allowed.

If a photographer asks you to pose for a photo and you agree, please be sure to sign a photo release form.

It is proper procedure for authorized photographers to ask first before taking a photo. Harassing attendees for photos is forbidden. If someone pressures you for a photo, or takes an unauthorized photo “on the sly” please report it to NELA staff or volunteers immediately. If you think you have been photographed without your consent, you have the right to demand the film from the photographer or to check their digital files and delete the ones you are in.

Attendees entering into agreements to be photographed privately are strongly encouraged to check the references of the person they are dealing with, to have someone they know and trust with them during any private photo shoot, and to resolve all issues of compensation and the rights to the images before beginning a private photo shoot.

Transgender Etiquette

There are many people who are transgender (Transsexual, Gender Queer, Crossdresser, Gender Variant, and more) in our community. People who are transgender and/or whose gender identity or expression does not conform to stereotypes of male or female often face discrimination and harassment, particularly when accessing public events and spaces, especially restrooms. To be inclusive and improve the quality of life for members of our community who are transgender and attending the FFF, please read and act upon the following:

Restrooms

One way of acknowledging the needs of all people regardless of their gender identity/expression is to support people in using the gender-designated restroom that they identify with. Many people face harassment in public bathrooms based on their perceived sex or gender identity; this can lead to anything from emotional discomfort, to arrest, or even murder. Regardless of which restroom you choose to use, please let everyone use the restroom of their choice in peace.

Pronouns

A person's external appearance may not match their internal gender identity. You cannot determine the gender or sex of someone by their physical body, voice, appearance or mannerisms. It's best to ask people "What pronoun do you prefer?" before using pronouns or gendered words. In group situations where you don't have an opportunity to ask someone what words they prefer, try using gender-neutral phrases like "the person in the red shirt," instead of "that woman or man."

Privacy and Respect For All Participants

Please respect the privacy and boundaries of people who are transgender, and do not ask unnecessary questions -- your personal curiosity, while well-meaning, may be distressing to a person who identifies as transgender. If someone discloses they are transgender, do not "out" (expose the identity) of the person who is transgender to other people. The person who is transgender may feel comfortable coming out to you, but may not wish to be out to other people. Please treat everyone as you wish to be treated.

Whiskey is conceded to be of great value for medicinal purposes. Recognizing that purity is the main requisite in all things medicinal we have decided to offer our famous "Silk Hat Rye" and "Bourbon Whiskies" direct to the medical profession and the consumer generally.

We are forced to do this in order to disqualify and cut out the middleman and his vile tendency to unscrupulous adulteration.

Physicians can use this whiskey *hypodermically* with safety as to its purity.

We will send you **Four Full Quart Bottles** of our medicinal pure untanned Silk Hat Rye or Bourbon Whiskey (5 years old) on receipt of \$1.26.

Remember we prepay express charges and pack goods in neat plain cases without marks to indicate contents.

If the goods are not as represented return them to us at our expense, and we will refund your money.
