Presents

Fetish Fair Fleamarket[®] 49

August 19th, 2017

Marlborough, MA

Greetings, Fellow Kinksters, and welcome to the NELA's 49th Fetish Fair Fleamarket®! This is our third year in our Summer Flea home, the Best Western Royal Plaza Hotel in Marlborough, MA. Please remember that unlike our Winter Flea, we do not use the entire hotel during the Summer Flea, so please be aware that just beyond our walls there are hotel guests of all ages and inclinations. Please read through the dress code and event rules carefully and abide by them at all times. When in public spaces, especially outside our checkpoints, please exercise good judgement in regards to behavior and language. We value good relationships with our host hotel and ask for your cooperation to help us maintain those good relationships.

We are excited to offer you over 30 vendors in the Royal Ballroom, several community/outreach groups in the main hallway, and an assortment of kinky demonstrations in the Seminar Room. The Duchess and Princess Rooms will also offer lounges and a few classes (see elsewhere in this book for details). Thank you to all our presenters, vendors, lounge hosts and volunteers.

Consider having a meal, snack or drink in the main hallway – supporting the concession stand helps us strengthen our relationship with our host hotel. If you need an ATM, there's one next to the Gift Shop. Please listen to our volunteer staff and board members, they are here to support our event. If at any point you have a concern, please seek out a NELA Board member, or any NELA volunteer. All of us differ in our abilities and skills, so please be mindful of those who might not be as agile. All spaces are fully accessible, if you need further assistance, please let us know.

As with most community organizations, the lifeblood of our organization is our volunteers. Everyone from the wristband checkers to the Board of NELA contribute by devoting their time, energy and abilities to make this Summer Flea possible. We wholeheartedly thank all our volunteers for their efforts and dedication.

NELA is a registered 501(c)3 non-profit organization dedicated to making a safe place in the world for all leather / fetish / BDSM people through education, advocacy, and charitable giving. To learn more, stop by our Associates table where you can also update or purchase a new NELA Associates Benefit Card, which entitles you to free or reduced-rate admission to NELA events throughout New England. Revenue from swag table merchandise we offer in return for donations also supports our work, so if you purchase a NELA t-shirt, hoodie, or any of our other items, you're helping to support our advocacy and charitable giving.

We support other worthwhile organizations both at home and across the country like The Network/ La Red, AIDS Care Ocean State and the NCSF. We also have special programs like the 'Ayem Willing' Volunteer Travel Fund which assists volunteers to travel to events and return with education which they might not otherwise be able to reach. Your attendance at the Fetish Fair Fleamarket helps support our mission, and we thank you for joining us.

Be sure to keep in touch via our website nelaonline.org for upcoming events, classes and other timely announcements. Follow us on social media too! Twitter: @FetishFlea, Facebook: @NELAWeb and Fetlife: @NELAWeb.

Wishing you a fantastic day at the Summer Fetish Fair Fleamarket!

- Questions or concerns may be brought to any NELA Board Member.

Dress Code

The Fetish Fair Fleamarket® does not allow nudity in any public areas of the host hotel. "Sidewalk Friendly" attire is required, which is not the same as "Street Legal." "Legal" means a thong and pasties -- but we have always required a bit more to ensure the comfort of all attendees. This means that butts and breasts must be fully covered; no breasts covered only in Liquid Latex or by something sheer or see-through with nothing else under[neath] it. We understand that this is a kink event, but please remember that our goal is to make everyone comfortable – not only our guests, but the hotel staff. Please keep that in mind when you choose your outfits, and help us make sure that we get re-invited each year to this wonderful venue. Your cooperation and support is crucial to our success, and we love you all for it – and we also think you all look hot, even if we can't see your naughtier bits in the hallways :)

Cell Phone Policy

- Cell phone use in public areas (anywhere outside of private hotel rooms) is discouraged, cell phones with uncovered camera lenses are strictly prohibited.
- Classroom, lounges, socials, events: No visible or audible cell phones permitted.
- Any one observed using a cell phone in a public space will be subject to having staff and/or security checks to be sure cameras are covered and that no photos have been taken. Violation of our No Photography Policy and Covered Lens on Cell Phones can result in being removed from the event, and possibly banned from all future NELA events, as well as legal action being taken against the violator.

Photography

Attendees, Vendors, Presenters and NELA Volunteers and staff are prohibited from taking pictures or video in any public area of the venue. Public areas are “Any area in the hotel that is not a privately-rented hotel room.”

We respect your privacy; however, please recall that you are at a public event, and you are your own best protection. The Fetish Fair Fleamarket, NELA, our host hotel, and our partner sponsoring groups and producers will not be liable in the event that your picture is taken.

Camera phones and video phones are everywhere, but we’re asking you not to use them or any other cameras in any public space. Reports of your unauthorized photography or recording of any kind will result in your being removed from the event without refund. Please keep this in mind and avoid even the appearance of photographing/videoing others.

Please note that there will be some NELA-authorized photographers present at this event. You should be aware of them; if you do not want to appear in any picture. All authorized photographers will have a badge that they will display at all times, and they are required to obtain your explicit permission before taking any photograph (even if your face is obscured). These are the only photographers allowed.

If a photographer asks you to pose for a photo and you agree, please be sure to sign a photo release form.

It is proper procedure for authorized photographers to ask first before taking a photo. Harassing attendees for photos is forbidden. If someone pressures you for a photo, or takes an unauthorized photo “on the sly” please report it to NELA staff or volunteers immediately. If you think you have been photographed without your consent, you have the right to demand the film from the photographer or to check their digital files and delete the ones you are in.

Attendees entering into agreements to be photographed privately are strongly encouraged to check the references of the person they are dealing with, to have someone they know and trust with them during any private photo shoot, and to resolve all issues of compensation and the rights to the images before beginning a private photo shoot.

Consent Concerns

Consent is crucial to a healthy community, and NELA takes consent issues very seriously. Should you have a concern around consent during FFF #49, please do not hesitate to approach or contact a NELA Board Member to meet with you and address your concerns.

Transgender Etiquette

There are many people who are transgender (Transsexual, Gender Queer, Crossdresser, Gender Variant, and more) in our community. People who are transgender and/or whose gender identity or expression does not conform to stereotypes of male or female often face discrimination and harassment, particularly when accessing public events and spaces, especially restrooms. To be inclusive and improve the quality of life for members of our community who are transgender and attending the FFF, please read and act upon the following:

Restrooms

One way of acknowledging the needs of all people regardless of their gender identity/expression is to support people in using the gender-designated restroom that they identify with. Many people face harassment in public bathrooms based on their perceived sex or gender identity; this can lead to anything from emotional discomfort, to arrest, or even murder. Regardless of which restroom you choose to use, please let everyone use the restroom of their choice in peace.

Pronouns

A person's external appearance may not match their internal gender identity. You cannot determine the gender or sex of someone by their physical body, voice, appearance or mannerisms. It's best to ask people "What pronoun do you prefer?" before using pronouns or gendered words. In group situations where you don't have an opportunity to ask someone what words they prefer, try using gender-neutral phrases like "the person in the red shirt," instead of "that woman or man."

Privacy and Respect For All Participants

Please respect the privacy and boundaries of people who are transgender, and do not ask unnecessary questions -- your personal curiosity, while well-meaning, may be distressing to a person who identifies as transgender. If someone discloses they are transgender, do not "out" (expose the identity) of the person who is transgender to other people. The person who is transgender may feel comfortable coming out to you, but may not wish to be out to other people. Please treat everyone as you wish to be treated.

Servants Retreat is not a Service 101 course of study, but rather, it is an intensive, interactive weekend created for people who submit, bottom, and/or serve. It is for people who are 24/7 or who serve a few hours a month and anywhere in between. It is for people who have been serving 20+ years or only a few months experience. It is open to all genders and orientations. It is not about fantasy but the realities of service. It is about the realities of living well and understanding ourselves fully.

Each session has worksheets and focuses on a different emotional or intellectual area of service. Some of the concepts we explore are: who we are as people; submission and self esteem; our past/present and how that effects our service; maintaining submission and obedience; training; self-maintenance, personal growth, concepts of punishment and reward, and much more. Mostly, this Retreat is about exploring who you are, how you live, and making powerful, healthy choices. Those choices are individual for you as a person who serves and/or submits.
